SPOTX operates an enterprise-grade digital signage platform that enables businesses to manage content, monitor screens, schedule campaigns, and track performance across their screen network from a single dashboard. The Partner wishes to participate in the SPOTX Partner Program in the capacity described below, and SPOTX is willing to grant such participation on the terms of this Agreement.

3. Scope of Partnership

The Partner will refer qualified prospective customers and opportunities to SPOTX in exchange for the commission described in Section 5 below.

4. Onboarding & Verification

This Agreement, and the Partner's ability to use the referral, sales, and payout features of the SPOTX Partner Panel, is conditioned on SPOTX's verification of the Partner's KYC documents and bank account details. The Partner represents and warrants that all information and documents submitted for this purpose are true, accurate, and not misleading. SPOTX reserves the right to suspend or reject the Partner's account if this is found not to be the case.

5. Commission & Payment Terms

The Partner earns a commission of 15% of the net revenue recognized on the deal on each won deal attributed to the Partner.

Commission is calculated and recorded by SPOTX at the time a deal is won, and becomes eligible for settlement after SPOTX's internal review and approval. Settlements are processed on a monthly basis to the bank account verified by the Partner in the SPOTX Partner Panel. Applicable taxes, including tax deducted at source, will be withheld as required under Indian law. SPOTX reserves the right to hold or reverse any commission connected to a deal that is subsequently cancelled, refunded, or found to be fraudulent.

6. Term & Termination

This Agreement commences on the Effective Date and continues until terminated by either Party. Either Party may terminate this Agreement for convenience upon thirty (30) days' prior written notice to the other Party. SPOTX may suspend or terminate this Agreement immediately upon written notice if the Partner breaches this Agreement, provides false information, or engages in fraudulent or unlawful conduct. Termination does not affect commission already earned on deals won prior to the effective date of termination, which remains payable per the settlement terms above.

7. Confidentiality

Each Party agrees to keep confidential all non-public business, technical, financial, and customer information disclosed by the other Party in connection with this Agreement, and to use such information solely to perform its obligations under this Agreement. This obligation survives termination of this Agreement.

8. Intellectual Property

SPOTX retains all right, title, and interest in and to its platform, software, trademarks, and brand assets. The Partner is granted a limited, non-exclusive, non-transferable right to use SPOTX's name and marks solely for marketing SPOTX to prospective customers under this Agreement, in accordance with SPOTX's brand guidelines, and such right terminates automatically upon termination of this Agreement.

9. Data Protection & Compliance

Each Party will comply with applicable law in performing its obligations under this Agreement, including applicable data protection law when handling personal information of prospective or registered customers. The Partner will not misrepresent SPOTX's products, pricing, or terms to any prospective customer.

10. Limitation of Liability

Neither Party will be liable to the other for any indirect, incidental, or consequential damages arising out of this Agreement. Each Party's total liability under this Agreement is limited to the commission amounts actually paid or payable to the Partner in the twelve (12) months preceding the event giving rise to the claim.

11. Governing Law & Dispute Resolution

This Agreement is governed by the laws of India. The Parties will first attempt to resolve any dispute arising out of this Agreement through good-faith discussion, failing which the dispute will be subject to the exclusive jurisdiction of the competent courts in India.

12. Notices

Notices under this Agreement will be sent to the Partner at demo.affiliate@example.test and will be deemed delivered when sent. SPOTX may also notify the Partner in-app via the SPOTX Partner Panel.

13. Entire Agreement

This Agreement, generated by the SPOTX Partner Panel upon verification of the Partner's account, reflects the commercial terms configured for the Partner as of the Effective Date and constitutes the entire understanding between the Parties regarding the subject matter herein. Any amendment to the commission structure or scope described above will be reflected in a reissued version of this Agreement.

This document is generated automatically by the SPOTX Partner Panel upon successful verification of the Partner's KYC documents and bank account, and stands as the record of agreed commercial terms between the Parties from that point forward. Where a separately signed master agreement exists between the Parties, that document takes precedence over this one.
